

## 5-6 YO - Red 1 - Pre Rally Kids

### Beat Larry/Sally:

Have kid(s) start at the baseline on a mini-court. Based on age and ability, have them either throw or serve overhand into the diagonal box, working on their serve motion. “Larry” or “Sally” is their imaginary opponent on the other side of the net.

They get two chances to get their serve (3<sup>rd</sup> chance can be a throw serve) in the correct box.

If they get their serve in, they get a point. If they miss both (or 3) serves, “Sally” or “Larry” gets the point. Based on age and knowledge of scoring, use 1-4 to determine the winner of the game, or use regular scoring.
